Environmental Turf, the company responsible for marketing leading turfgrass brands including SeaDwarf Seashore Pasaplum and UltimateFlora Zoysia, won eight national marketing awards at the 21st Annual Turf and Ornamental Communicators Association (TOCA) award ceremony & conference held May 6, in Tuscon.

From a field of more than 300 entries from leading manufacturers, companies and public relations agencies in the green industry, Environmental Turf won a total of four First-place awards and three Merit awards. Of those, the company swept the "Writing for Electronic Newsletter" category, winning both the First-place and Merit trophies.

In addition, ET Company President Stacie Zinn was honored with the prestigious Gardner Award. This award recognizes the very best in writing/marketing communications for the year.
